Provincial contest at The Tradex Centre in Abbotsford:

April 13th, 2016

TV/VIDEO PRODUCTION (Secondary) 2016

Team of Two – Virtual Competition

Purpose of the Challenge:

To evaluate student's proficiency in the television/video production field.

Skills & Knowledge to be Tested:

Each team on the day of the competition will:

- Plan, shoot and edit a 2-3 minute video that uses the theme presented at the orientation meeting in your school.

Specific Requirements:

- **Note: It is recognized that having a virtual competition means that teams will be using varying equipment for both production and post production. The following guidelines have been established to create as fair a competition as possible. Remember, the most important component of your video is the message!**
 - A team may consist of no more than 2 competitors.
 - Final project will be submitted on a USB using the H.264 compression. (.mov or .mpeg is acceptable) Please label with competitor number and Region for EACH video

Timeline:

- You are to produce this video in a 5 hour **continuous** time block which need not be part of the school day. If this project is not completed during school hours, the sponsor teacher must sign off on the start and completion times to ensure the 5 hour time period.

Safety Requirements:

Safety awareness/requirements will be maintained within minimum industry standards at all times. A contestant will not be allowed to compete without the safety equipment noted on this scope document.

Equipment / Tools / Materials

Note: The equipment and tools listed below are suggestions only. As this is a virtual contest it is recognized that various manufacturers of equipment will be utilized dependent on what is available locally. The following is a suggested minimum standard.

Supplied by School:

- Method of editing, possibly an edit system – linear or non linear or edits may be made in camera
- 2 blank video formats of your choice for raw footage (ie: mini dv, sd cards etc.)
